**Name of Speaker:** Gayle Woodruffe  
**Company (representative of):** Northern Film and Media  
**Website:** [www.northernmedia.org/www.nfmacademy.co.uk](http://www.northernmedia.org/www.nfmacademy.co.uk)

**Background:**

I am responsible for promoting the region to film and TV production companies encouraging them to film in the North East. Gayle maintains a comprehensive database of information on crew, facilities and locations, providing excellent local contacts and knowledge for anyone planning to shoot in the region. Gayle also manages the NFM Academy.

**The Business/Company:**

Northern Film + Media is North East England's creative industries development agency. We work with businesses and professionals specialising in film, TV and screen-based arts through our talent development projects, events and production service. We support regional commercial film and television production and attract inward investment by promoting the region as a base for incoming film and TV production.

**Gayle's presentation will concentrate on:**

- NFM's role
- Production Service and what we do
- NFM Academy
- How to get a job in film and TV
